Poydras Home
New Orleans, LA

the green house project
Revolutionizing care to empower lives.

REGISTER NOW!

One Participant: \$2750.00 (regularly \$3250)
Two participants: \$5000 (a \$1500 savings!)

PARTICIPANTS WILL:

- Experience Core Education as a learner
- Learn proven, person-directed teaching strategies
- Practice facilitation in a supportive environment

WHAT YOU'LL TAKE HOME:

- A ready-to-use training plan customized for your organization
- Confidence and skills to deliver Core Education with impact
- A complete Educator Toolkit—slides, handouts, videos, and facilitator guide
- Ongoing connection to an international network of Green House Educators for shared learning and support

THIS COURSE IS IDEAL IF:

- You're relaunching or reinvigorating your Green House model
- You need to embed Core Education in onboarding and ongoing learning
- You've lost your previous educator or are ready to expand your training team

The Green House Educator course is a transformative five-day, in-person experience that prepares your in-house trainers to deliver Core Education—our essential, three-day training for all Green House team members.

When you grow your own educators, you build capacity, deepen understanding of the model, and ensure consistent, high-quality onboarding rooted in real home values.
