

**EMPOWER YOUR TEAM.
ELEVATE YOUR CULTURE.**

LEADING EMPOWERED CULTURES

A virtual leadership course for administrators, directors of nursing, department heads, managers and nurses in residential care settings.

- Elevate your leadership impact by leading with curiosity, clarity, and purpose
- Equip and empower your staff to think critically and make value-based decisions
- Build trust and accountability across your organization
- Boost retention and strengthen staff engagement
- Translate empowerment & coaching principles into daily operations

Virtual Learning Cohort
Thursdays, 1-3pmET
September 10 -
November 5, 2026

WHEN LEADERS GROW, CULTURES THRIVE.

Transform your leadership approach and strengthen your team culture through a series of interactive, high-impact sessions.

WHAT YOU WILL GAIN

- Practical communication and empowerment skills
- A collaborative workplan to sustain an empowered culture
- Apply real-time coaching practices to real workplace challenges
- Tools to silence your “advice monster” and spark empowerment

**LEAD WITH
PURPOSE.
EMPOWER WITH
INTENTION.**

The catalyst for person-directed
living and empowered cultures in
the community of one's choice.

*“A wonderful learning experience... I've
seen the value of restraint in giving
answers versus actually being there as a
coach.”*

-JESUS HERNANDEZ
ASST. DIRECTOR FOR POST-ACUTE CARE
THE NEW JEWISH HOME
